

## Café & Coffee Shop Pest Control Solutions

# Airpest®

The Experts in Pest Control

Protecting Hygiene.  
Preserving Taste & Trust.

## Who We Are

Airpest® provides professional pest management solutions for cafés, coffee shops, and quick-service outlets. Our treatments are designed to maintain hygiene, food safety, and customer comfort while ensuring uninterrupted daily operations.

## Why Pest Control is Critical for Cafés

Cafés operate in open environments with constant food handling and customer movement, making them highly sensitive to pest activity.

Cockroach infestation  
in pantries and  
preparation areas

Rodent risk  
near storage and  
waste zones

Mosquito presence  
affecting  
customer comfort

Food contamination  
and hygiene  
complaints

Damage to  
brand image and  
repeat business

## Key Areas We Protect

Food Preparation Areas

Coffee Counters &  
Service Stations

Storage & Dry Stores

Dining & Seating Areas

Washrooms

Garbage & Waste Zones

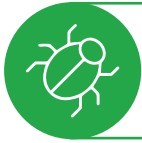

Drainage & Sewer Lines
